Dear Parent or Guardian,

Carter County Schools are committed to providing a quality instructional program for your child. This letter is just one of the ways we keep you informed of the educational commitment of our schools and district.

Our district receives federal funds for Title I programs as part of the Every Student Succeeds Act (ESSA). Under ESSA, you have the right to request information regarding the professional qualifications of your child's teacher(s). If you request this information, the district will provide you with the following:

1. Whether the teacher has met the state requirements for licensure and certification for the grade levels and content in which the teacher provides instruction;
2. Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
4. Whether your child is provided services by paraeducators, and if so, their qualifications.

If you would like to request this information, please contact me by phone at 606-474-6696 Ext. 20-209 or email at [joshua.mabry@carter.kyschools.us](mailto:joshua.mabry@carter.kyschools.us). Please be sure to include your child's name, the name of the school your child attends, the names of your child's teacher(s) and an address or email address where the information may be sent.

Thank you,

**Joshua Mabry, Ed.S.**  
Director of Federal Programs
